За нас

Безбедноста не е луксуз таа е основа на секој среќен живот.

Нудиме внимателно одбран асортиман на производи кои за ваша безбедност – од детектори за чад и јаглерод моноксид, до паметни брави, прочистувачи на воздух и уреди за подобрување на квалитетот на живот.

Ги разбираме потребите на семејствата, родителите и сите што сакаат да создадат побезбедна и поздрава околина. Токму затоа, Saфeтs1cт.mk не е само онлајн продавница тоа е партнер за вашата безбедност.

Понуда за фирми

Безбедноста како приоритет - професионални решенија за вашата организација. Нудиме специјализирана понуда за фирми, институции и деловни клиенти кои се грижат за безбедноста на вработените и посетителите во своите простории.

Што вклучува нашата понуда?

Голем избор на сертифицирани производи за безбедност

Ексклузивни попусти за количински нарачки

Брза и сигурна испорака низ цела Македонија

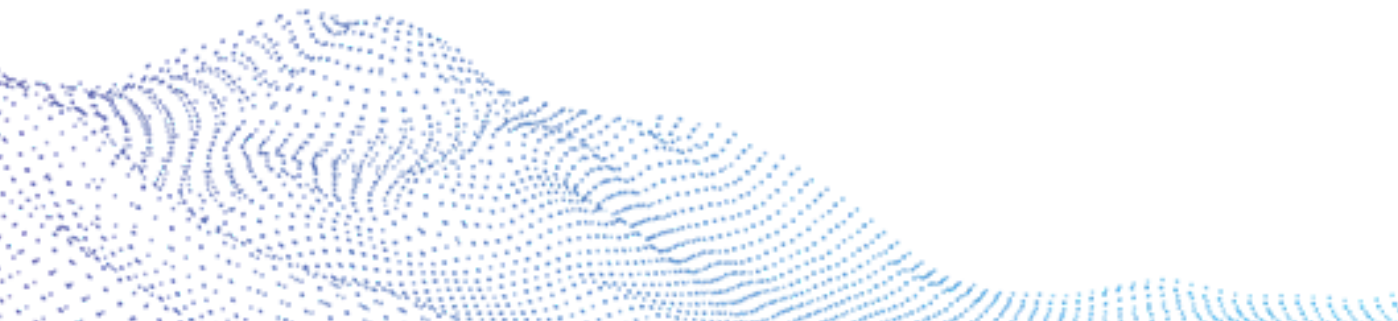

Можност за плаќање на фактура

Советување за избор на производи според вашиот простор и потреби

Пристап до промотивен материјал

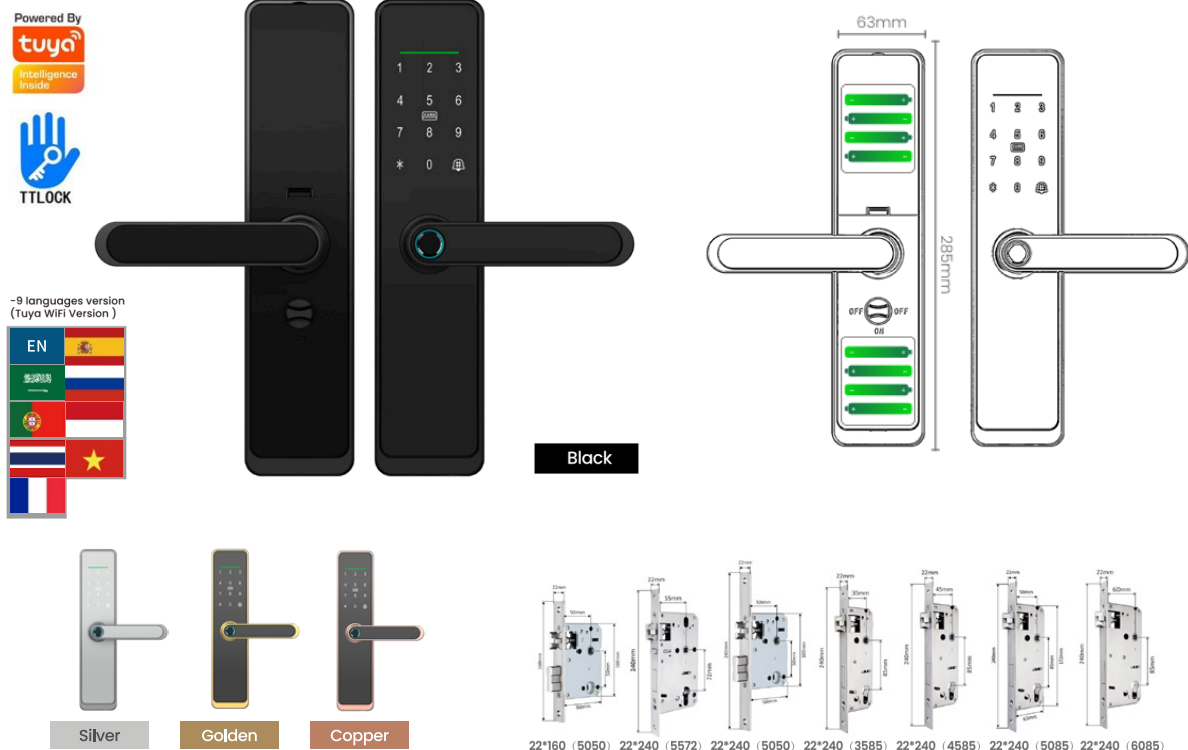

За кого е наменета оваа понуда?

- Компании кои сакаат да обезбедат производи за вработени или клиенти
- Архитекти, проектанти и изведувачи на ентериери со фокус на семејни и јавни простори
- Дистрибутери и препродавачи во Македонија и регионот
- Јавни и приватни институции со фокус на безбедноста
